*A Family Speaks about Depression,
Anxiety and Attempted Suicide*

with Bucks County authors John and Patricia Gallagher

The Gallaghers know what happy times look like - they lived in a great neighborhood, a comfortable home, they had a happy marriage, and four beautiful children. But when their family was ravaged by depression, they didn't know where to turn, or how to cope. Many lessons were learned the hard way. They have written a book as a family, to help others deal with difficult situations. The book is a compelling narrative of a family shattered by attempted suicide. It tells of a family's struggle to renew John's interest in life.
